Updated as at Jan 2022

Instruction to Access CleanPod

- 1) Turn the number lock to [REDACTED] and align it with the middle line on the lock.**
 - In the shed, there are two heavy duty carts, two plastic containers with 50 metal tongs each
 - 50 pails as replacement for trash bags (or prepare own trash bags if necessary)
- 2) Collect the necessary tools and place them on the heavy duty cart. You may bring the cart to the meeting point for distribution**
- 3) Upon completion of clean-up, consolidate all the collected litter in trash bags and dispose at Car Park C.**
- 4) Wash the tongs and pails. Please ensure no collection of water on the tongs and pails to prevention mosquitoes breeding**
- 5) Return all items to the CleanPod, lock it and turn the number to '0000'.**
