Instruction to Access CleanPod

1) Push the button [REDACTED] on the key pad to unlock.

2) Items in the shed:

- 2 heavy duty carts, two plastic containers with 50 metal tongs each
- 50 pails as replacement for trash bags (or prepare own trash bags if necessary)
- 30 small plastic tongs for young children
- Plastic and metal sieves for collection of meso and micro plastic
- 3 weighing scales (please remove battery after every use)

3) **Collect the necessary tools and place them on the heavy duty cart. You may bring the cart to the meeting point for distribution**

4) **Upon completion of clean-up, consolidate all the collected litter in trash bags and dispose at car park or near dustbins at the pathway.**

5) **Wash and dry all items. Please ensure no collection of water on the items to prevent rusting or mosquitoes breeding**

6) **Return all items to the CleanPod and KEEP IT TIDY for the next user.**

7) **Lock it by pressing down all numbers on the key pad .**
