- 14 Secret Life of Trees

Instruction to Access Gardens by the Bay CleanPod

- 1) **Press the number lock to [REDACTED] to unlock the lock.**
 - In the shed, there are two Wagons, two plastic containers with 50 metal tongs each
 - 50 pails as replacement for trash bags (or prepare own trash bags if necessary)
 - 5 White Canvas Jumbo Bags for Plant
- 2) **Collect the necessary tools and place them on the Wagons. You may bring the cart to the meeting point for distribution.**

3) **VERY IMPORTANT – Please conduct Horticultural (plant) waste cleanup strictly within World of Plants section. Cleanup outside of World of Plants is not allowed.**

- 4) **Upon completion of clean-up**
 - For horti waste, GB will provide Jumbo Canvas bags and they should all be neatly placed in front of the CleanPod for GB Ops staff to collect after your event
 - The regular waste/litter, you will need to bring your own trash bags and dispose them at any of the bins in the Gardens

5) **Clean the tongs and pails. Please ensure no collection of water on the tongs and pails to prevention mosquitoes breeding**

6) **Return all items to the CleanPod, lock it and turn the number to '5555'.**

7) **VERY IMPORTANT - After locking the CleanPod, the person in charge must photograph the secured pod and send the image via WhatsApp to 9835 9194 * for confirmation.**

* Please note that NEA/PHC/GB will not respond to messages sent to this number, as it is used solely for monitoring purposes to ensure Points of Contact (POCs) have secured the pod after their activities.
